

The PROCTER Flared Top Bin

The PROCTER Flared Top Bin is ideal for use in high traffic public areas such as high streets and parks. With a simple and stylish flared top design, this bin is designed to complement the Rockingham range of street furniture. Supplied with a lockable steel liner as standard, the base of the bin can be bolted onto the floor for added security.

Manufactured from galvanised mild steel as standard, the PROCTER Flared Top Bin is also available in grade 304 Stainless Steel.
