Product details

910mm x 745mm x 1880mm (h x w x l).
 48mm outside diameter stainless steel tube legs & back frame.
 Iroko hardwood slats (FSC Certified).

Installation & use

Typically stainless steel requires only occasional wiping down with warm soapy water and a soft cloth to maintain its appearance.
 Iroko hardwood is suitable for leaving untreated, the wood will naturally turn silver grey as time progresses.
 The wood is also suitable for protective coatings such as varnish or oil, but will require occasional maintenance to maintain the appearance.
 The seat may be bolted to a suitable concrete surface by means of 4 no M12 bolts.
 This product is guaranteed for 12 months (*if installed and used correctly*).
