

PROCTER BROTHERS LIMITED

Environmental Policy Statement

Procter Bros is a family run business operating from three sites in Bedwas, London and Leeds and employs approximately 170 employees. Our main products and services are the supply and installation of security fencing, machinery guarding and pre-cast stone. We recognise that our operations result in emissions to air and the generation of waste. It is our aim to comply with legislation and other requirements, continue to reduce the environmental impacts of our business and operate in an environmentally responsible manner.

Procter has a commitment to:

- Comply with all relevant legislation as a minimum standard.
- Minimise the effect of our activities on the environment and local community by identifying risk and ensuring appropriate mitigation measures are in place.
- Enforcing continuous monitoring and assessment of our environmental performance and work towards performance targets to ensure environmental improvement.
- Reduce waste production and divert waste away from landfill by promoting recycling and the use of recycled and recyclable materials.
- Working in line with Procter Procurement Procedures to ensure we minimise our impact on the environment through an effective waste management process.
- Work alongside those with credible environmental performance measures in place.
- Develop our workforce through education and training in a bid to promote environmental awareness and encourage best practice.

Procter Brothers ensure appropriate resources are available to ensure the environmental policy is implemented in full and is revised as necessary or annually as a minimum.
